Knightly Tours Presents . . .

Welcome to Your Vacation

DEAR ADVENTURER:

Welcome to our Knightly Tours 2018 Idea Book. Contained in these pages are ideas (vacations) for you to consider when planning your vacation to Alaska, the Canadian Rockies and Western Canada. The information offered in this book, and our website at knightlytours.com, is designed to give you ideas of how to vacation in these great destinations. Be mindful these destinations are vast and there is no one "right" way to explore. Your interests will guide your vacation.

For the past 49 years our philosophy has not changed! We believe that your exploration of these great destinations should be personal. We pledge that we will work with you and your travel professional to deliver the very best value for your hard earned vacation time and money. There are as many ways to vacation in Alaska, the Canadian Rockies and Western Canada, as there are visitors, so we will customize to meet your goals.

Complete Vacations

Our vacations are designed with you to ensure you see what you wish to see, on your schedule. Each of our independent vacations gives you the ultimate freedom. You travel, dine and visit the attractions you wish to include. We take care of the details such as:

1. Accommodations including pre nights, so you have a complete vacation cost to consider
2. Sightseeing, transportation and transfers so you are never left wondering how you get to/from your hotel or a tour
3. A Manager on Duty for that rare occasion that you need help; a Knightly Tours team member is there to assist.

NEW FOR 2018!!!!

For years guests have been asking us for suggestions on how to vacation in Southeast Alaska without using a cruise ship. We have introduced the Southeast Alaska Explorer as suggestion. In addition we have added suggested vacations to Dawson City and one spending three nights at Denali National Park. They are in the Independent Vacation section.

America's National Parks

America's National Parks are now over 100 years old. Alaska is home to eight National Parks and two National Historic Parks. We have custom vacations that can get you to all of these Parks in one vacation. List the Park or Parks you wish to visit and our team will put together the vacation of a lifetime.

Experience

Our team, each with over 20 years of experience working in these destinations, can help you customize the vacation you want. Whether you travel by air or cruise ship there is a custom vacation waiting for you. Our team stands ready to help you.

Step inside, develop your ideas and let us help build your vacation your way!
