CRUISE WITH LAND ADVENTURE

CRUISING AND KNIGHTLY VACATIONS

Cruising is one of the great ways to see Alaska. Many of Alaska's towns are dotted along the famed Inside Passage. Cruising offers you the ability to view some of Alaska glaciers and mountains from a unique vantage point. The beauty of Alaska cruising today are the choices from intimate "small ship" cruises, to larger vessels that offer all the amenities you ever want in a floating resort and the Alaska Marine Highway which takes you off the beaten path. There is a cruise for every budget.

Knightly Tours can work with you to extend your cruise vacation deep into the heart of Alaska, the Canadian Rockies, or maybe you just want to explore the Pacific Northwest before or after your cruise.

There are four basic types of Alaska cruises to choose from. These cruises have durations of 2 to 10 days cruises. All offer great benefits for you. The broad classifications are:

INSIDE PASSAGE CRUISES (embarking or disembarking Seattle or Vancouver)
Operated by Princess, Holland America, Royal Celebrity, Carnival, Norwegian, Oceania and Seabourn.

INSIDE PASSAGE CRUISES (embarking or disembarking Juneau, Sitka or Ketchikan)
Operated by Un-Cruise, Alaskan Dream and American Cruise Line.

ONE WAY CRUISES (embarking or disembarking Vancouver, Seward or Whittier)
Operated by Princess, Holland America, Royal Celebrity, Silversea, Regent, Norwegian and Seabourn.

ALASKA MARINE HIGHWAY (embarking or disembarking Bellingham, Ketchikan, Juneau, Skagway or Whittier)

The chart on the next page will show which of our Knightly Tours vacation ideas can be added to your Alaska cruise vacation.

INSIDE PASSAGE CRUISES (SEATTLE/VANCOUVER)

These cruises offer you the convenience of arriving and departing from the same port. This generally makes the purchase of airfare easier because you are buying your ticket round trip from the same city. These cruises visit Southeast Alaska with ports of call like Ketchikan, Juneau, Skagway and Sitka. These cruises provide a wonderful opportunity to spend more time pre or post

cruise in the Pacific Northwest or the Canadian Rockies. While these cruises may have port call in Victoria, this call is generally at 6:00pm on the last night of the cruise and does not allow much time. Adding a Western Canada package can enhance your cruise vacation.

Both Seattle and Vancouver are jumping off spots for the Canadian Rockies.

ONE WAY CRUISES (VANCOUVER / SEWARD WHITTIER)

These cruises give you most opportunity to enhance your cruise vacation by exploring more of Alaska. All of these cruises visit the Inside Passage and then cruise across the Gulf of Alaska to Seward or Whittier. The cruises also operate from Seward/ Whittier to Vancouver. The chart shows that these cruises give you the most options to explore Alaska, as well as the opportunity to visit the Rockies.

On these cruises you can add pre and/or post experiences visiting both the interior of Alaska and the Canadian Rockies.

SMALL SHIP CRUISES (JUNEAU / KETCHIKAN SITKA)

"Small Ship" cruising of the Inside Passage is one of the most unique ways to cruise Alaska. These cruises generally have few traditional ports of call but allow guests in depth experiences in areas where the larger cruise vessels cannot cruise. For guests wanting an active vacation these lines offer many exciting hikes and paddles that allow for a more in depth experience.

Knightly Tours has many vacations that can enhance the cruises. To continue your vacation to Denali National Park or Kenai Fjords National Park you fly between Southeast Alaska and Anchorage. This adds approximately \$200 per person to the vacation list on the next page.

ALASKA STATE FERRY CRUISES (JUNEAU / KETCHIKAN SITKA / BELLINGHAM)

The Alaska Marine Highway operates to and from many ports on the Inside Passage, across the Gulf of Alaska and along the Aleutian chain. Most routes have passenger cabins and provide you with the opportunity to meet many Alaskans who rely on this vital service. At Knightly Tours we can customize your vacation using this unique form of transportation. Many guests just ride short segments between Ketchikan, Juneau and Skagway. These short one to three day trips allow you to see the Inside Passage from the view point many Alaskans enjoy.

Additionally the Marine Highway sails between Bellingham and the ports of the Inside Passage, giving you the opportunity to sail to or from Alaska. As you can see on the next page there are many land side vacations that can be added to a Marine Highway trip. There are too many options to list here so call our team of consultants to customize your vacation. Like the Small Ship cruising you have to fly to/from Anchorage adding approximately \$200 to the vacation plan.
